Students of Echo Academy

CLASS ALPHA

ROWAN BUZZ AKA Jude

Rowan Buzz is the debate champion of Class Alpha. Rowan is a very persuasive speaker with a compelling way with words that can influence decisions and gather support for any cause. Rowan is known as a chatterbox and finds it difficult not to talk.

SIDNEY CHASE AKA Faye

Sidney is a mechanically inclined student from Class Alpha. Sidney can repair and modify vehicles and gadgets under pressure. Chase Sidney is a serial nicknamer who has given every Class Alpha student a funny nickname.

JORDAN CIPHER AKA Loretta

Jordan Cipher is the top-ranking member of Class Alpha and will graduate from Echo Academy in only six months. Jordan is an expert codebreaker - the best at ciphers and decoding secret messages. This dedicated student is obsessed with singing and creating new styles of handshakes.

SKYLER DYNAMO AKA Audrey

Skyler Dynamo is in Class Alpha and enrolled in the accelerated program. Although Sky has only been at the school for two years, this linguistic genius has learned over fifteen foreign languages with the amazing gift of absorbing languages to fluency in record time. Skyler is a bookworm who prefers reading books aloud - complete with different voices and accents for each character.

REMY PIXEL AKA Bradley

Remy Pixel from Class Alpha is super athletic and can handle tough exercises without even getting tired. Remy is in top-notch shape and able to outlast everyone in endurance tests. Plus, Remy's got a great sense of humor, always cracking jokes that get the whole class laughing.

RILEY VOLT AKA Kennady

Riley Volt is a member of Class Alpha and is sad about the upcoming graduation in six months. With incredible reflexes, strength, agility, and speed - Riley is close to a superhuman level. Needless to say, Riley holds all athletic records at the school. Riley loves to mimic cartoon voices and says voice acting could be a career path if the spy world doesn't work out.

ARDEN BLACKWOOD AKA Liam

Arden Blackwood of Class Alpha is known as a forensic genius who's already published some pretty impressive research papers. Arden isn't just smart—there's also a huge collection of rare scientific items that Arden has gathered. Thanks to this deep expertise and hard work, Arden has won many top prizes at major science fairs, making a big name in the science world.

ARCHER FOXX AKA Slator

Archer Foxx, a member of Class Alpha, is not only a philosophy whiz with top honors but also an ace behind the wheel, thanks to countless hours driving on the family farm. Archer loves coining new words and cleverly sneaks them into conversations, hoping they'll catch on among peers.

Students of Echo Academy

CLASS BRAVO

REAGAN BLAZE AKA Leia

Reagan Blaze is the survivalist from Class Bravo. Reagan's parents are avid survivalists and spend half their time living off the grid in the wilderness. For this reason, Reagan knows a lot about nature and is an asset during field missions.

MARLEY DASH AKA Jade

Marley Dash is the most elusive student of Class Bravo. Marley moves silently and is undetected even in the most guarded places. Marley is also great in the kitchen and can concoct delicious snacks from the most random ingredients.

TAYLOR FOXTROT AKA Kiana

Taylor Foxtrot is a master of disguise and the top-ranking student of Class Bravo. Using materials within reach, Taylor has created disguises to camouflage in the most unexpected locations. One of the most creative and knowledgeable students the spy school has ever seen, Taylor cannot resist sharing obscure facts at random moments.

ELLIS RIDDLE AKA Rachel

Ellis Riddle is the prankster of Class Bravo. Always known as a class clown, Ellis was barely accepted into the program due to poor marks in citizenship in civilian school. However, Ellis has extraordinary skills in detecting deception. Nobody can get away with telling lies around Ellis, the human lie detector.

GREER DARKO AKA Christian

Greer Darko, a top Class Bravo student, is super smart and won this year's National Scholar award. Greer is also amazing at escaping tricky spots and loves to talk using lines from movies, making conversations super fun. With smarts and a cool talent for quoting movies, Greer is one of the most interesting people to hang out with!

KESTREL GAGE AKA Elliot

Kestrel Gage, a standout member of Class Bravo, has earned accolades as a Math Olympiad winner and is renowned for being an expert codebreaker. Kestrel also has a unique habit of narrating every move out loud, turning everyday activities into something out of a movie. This combination of top-notch math skills and quirky storytelling makes Kestrel a fascinating and respected figure in school.

LAKEN FALCON AKA Elijah

Laken Falcon, a brilliant mind in Class Bravo, holds a patent for the innovative *Inviso-Cloak*, a garment that renders its wearer nearly invisible, blending seamlessly with any environment. Known for a contagious laugh that brightens every room, Laken combines humor with exceptional tech skills. This unique mix of inventiveness and a lighthearted attitude makes Laken a beloved and impressive figure in the tech community.

REESE KNIGHT AKA Sarah

Reese Knight, a member of Class Bravo, excels as a drone expert, effortlessly navigating the skies with precision. Beyond technology, Reese is a talented artist and actor, often captivating classmates with powerful monologues during school performances.

LANE MOXIE AKA Luke G.

Lane Moxie, a member of Class Bravo, is fueled by exceptional swimming skills and ambitions to master underwater espionage. Alongside aquatic training, Lane has an unmatched obsession with shoes, boasting an extensive and eclectic collection. As the school historian, Lane meticulously records the Academy's events.

PHOENIX VECTOR AKA Isabelle

Phoenix Vector from Class Bravo is known worldwide as an amazing piano player who dazzles audiences everywhere. Phoenix has won many awards for being a great leader and will certainly end up in a leadership role one day. Fueled by curiosity, Phoenix starts a new hobby every week and tackles it with big energy and determination.

Students of Echo Academy

CLASS CHARLIE

QUINN SHADOW

AKA Stella J.

Quinn Shadow is the only child of Penelope Shadow, the dean of Echo Spy Academy. Due to an uncanny photographic memory, Quinn was enrolled in the accelerated program and is the youngest in Class Charlie. Quinn wears unmatching socks and shoes, claiming it is a sign of superior intelligence.

SAGE MAVERICK

AKA Joseph

Sage Maverick, Class Charlie's tech guru, has been a coding prodigy since toddlerhood, boasting skills that can breach nearly any digital fortress. Even Dean Shadow faces a playful challenge trying to shield the Echo Academy's systems from Sage's harmless but mischievous cyber escapades. Sage is extraordinarily good at beatboxing and will break into a session if any silence ensues.

DAKOTA BYTE

AKA Cora

Dakota is Class Charlie's expert tracker. Dakota can track individuals or objects through various environments, which is especially critical during missions. Dakota is also a nature whisperer and claims to communicate with animals and plants.

NYX LOCKE

AKA Lleyton

Nyx Locke, a cool negotiator from Class Charlie, never steps on cracks because of strong superstitions. Nyx is also known for authoring a popular book, *Mastering the Art of Negotiation*, which shares top secrets on negotiating like a pro. With these quirky habits and serious negotiation skills, Nyx is a rather interesting junior spy.

OAKLEY ONYX

AKA Jordyn

Oakley Onyx from Class Charlie is obsessed with profiling and psychology and is always diving deep into what makes people tick. On top of that, Oakley loves to boost vocabulary by using a different *Word of the Day* every day, making conversations both educational and intriguing.

RORY ROOK

AKA Tenley

From Class Charlie, Rory Rook is a chess champion, cleverly beating opponents with smart strategies. Rory is also great at setting up detailed surveillance systems and likes a personal touch when communicating. Rory always writes notes by hand, appreciating the careful and thoughtful way of writing messages.

FABLE CROSS

AKA Brinley

Fable Cross from Class Charlie is really into bugs and taking photos, often snapping pictures of insects and secret moments around the school. As the Academy's official photographer, Fable pays attention to details and is highly skilled at eavesdropping. For these reasons, Fable knows many of the Academy's secrets.

Students of Echo Academy

CLASS DELTA

MORGAN FLASH

AKA Poema

Morgan Flash, the standout member of Class Delta, is one of the youngest at Echo Academy. Thanks to a legacy left by the most masterful and stealthy agent known—Max A. Million Flash, who happens to be Morgan's father—Morgan had an open invitation to the program. With a quirky sense of humor, Morgan often seeks counsel from a trusted sock puppet sidekick, which always brings a wave of laughter and lightens the mood.

CASEY SPRINT

AKA Jonathan

Casey Sprint possesses a strategic mind and is adept at planning and executing missions flawlessly. This first-year student in Class Delta will undoubtedly rise to leadership. Casey is an eternal optimist who can always find the positive in any situation.

KENDALL FLICKER

AKA Kenzie

Kendall Flicker is one of the top students of Class Delta and an amazing inventor. This inventor can create useful gadgets from ordinary materials. Kendall is also obsessed with anything related to outer space. An avid stargazer, Kendall can point out all the constellations.

TATUM STEELE

AKA Luke R.

Tatum Steele of Class Delta is amazing at chemistry and won this year's Medal of Excellence in Leadership award. Being a chemistry guru, Tatum can make cool stuff like smoke bombs or figure out if something is poisoned. Additionally, Tatum writes everything in a notebook because even the tiny details could be important during spy missions.

JULES VAIL

AKA Hattie

Jules Vail, from Class Delta, was a stunt performer on kids' TV shows. Jules is brave but also extremely smart, having won the Echo Spy Academy Spelling Bee this year. Plus, Jules loves writing poetry and has even won some cool poetry contests, showing off some serious creative skills!

JAMIE BOND

AKA Hannah

Jamie Bond from Class Delta is the editor of *Teen Spy*, a cool magazine about spy stories and gadgets. Jamie is also good at spotting fake antiques and knows a lot about old artifacts. Jamie creates secret codes and puzzles, adding hidden messages to every magazine issue to keep the future spies guessing.

LYRIC ORION

AKA Dewey

Lyric Orion, a standout in Class Delta, shines as a tech wizard and a champion in robotics contests. With a knack for inventing new gadgets, Lyric has impressed everyone with a few technological breakthroughs. Always with a smartphone in hand, Lyric is famous for snapping selfies with new tech finds and robotics projects, capturing every moment of innovation.
