High School 3-Year Planning Chart: General Education

Student's Name: _____ **Date:** _____

Use this chart to plan your high school program for a **non-college bound student**. Under the columns marked 9th/ 10th, 11th and 12th, write in the subject you plan to cover per grade. Fill in for <u>all 3 years</u>. * Required Courses

(Do not use check marks to indicate subjects. List specific subjects such as Algebra 1, not "Math"; Life Science, not "Science".)

Subjects	9th grade	10th grade	11th/12th grade	Comments
